The Reb8FX Web Site is offered to you conditioned on your acceptance without modification of the terms, conditions, and notices contained herein. Your use of the Reb8FX Web Site constitutes your agreement to all such terms, conditions, and notices.

Modification of these terms of use

Reb8FX reserves the right to change the terms, conditions, and notices under which the Reb8FX Web Site is offered, including but not limited to the charges associated with the use of the Reb8FX Web Site. Accordingly, each time you use the website, the current version of the Terms and Conditions will apply.

Promotions and bonuses

Promotions and bonuses offered by a third party through Reb8FX are the responsibility of the third party. Reb8FX will not be held liable for a third party failing to deliver, or delivering inadequately, on bonus or promotional offers. For some brokers, bonuses may be deducted from our commissions resulting in a lower rebate than may be expected.

Reb8FX owners, operators, and affiliates have taken reasonable measures to ensure the accuracy of the information on the website; however, do not guarantee its accuracy and will not accept liability for any loss or damage arising directly or indirectly (including consequential loss) from the content or your inability to access the website, for any delay in or failure of the transmission or the receipt of any instruction or notifications sent through this website.

High-risk investment

Trading foreign exchange on margin carries a high level of risk and may not be suitable for all investors. The high degree of leverage can work against you as well as for you. Before deciding to trade foreign exchange, you should carefully consider your investment objectives, level of experience, and risk appetite. The possibility exists that you could sustain a loss of some or all of your initial investment and therefore you should not invest money that

you cannot afford to lose. You should be aware of all the risks associated with foreign exchange trading and seek advice from an independent financial advisor if you have any doubts.

Market opinions

Any opinions, signals, news, research, analyses, prices, reviews, or other information contained on this website is provided as general market commentary and does not constitute investment advice. The owners, operators, and affiliates of Reb8FX will not accept liability for any loss or damage, including without limitation to, any loss of profit, which may arise directly or indirectly from the use of or reliance on such information.

Tools

Reb8FX assumes no responsibility for any errors, inaccuracy of the information, or losses resulting from the use of the Forex Calculators, Tools and/or Economic Calendar available on our website, including the support thereof.

Distribution

This site is not intended for distribution or use by any person in any country where such distribution or use would be contrary to local law or regulation. None of the services or investments referred to in this website are available to persons residing in any country where the provision of such services or investments would be contrary to local law or regulation. It is the responsibility of visitors to this website to ascertain the terms of and comply with any local law or regulation to which they are subject.

Cash back payments

Reb8FX diligently pays all clients according to either the currently listed rates or the agreed-upon rate. Rebates for products and services that allow refunds are paid after the expiration of the refund period. Any custom quotes/offers must be approved in writing. Certain situations can occur that would prevent payments from being made, i.e., if a broker refuses to pay, or if an individual has provided incorrect payment information. The pending is shown for informational purposes only and may not be accurate. Reb8FX may be given all details of your trading activity by Brokers: i.e. (instrument, open, close, volumes, etc.) to be properly computed. Reb8FX owners, operators, and affiliates shall have no liability or obligation under any circumstance to issue client payments for any reason, and all payments are issued at our sole discretion. If at any time Reb8FX becomes unable to collect funds from any broker(s) or contracted firms/entities, then Reb8FX reserves the right not to pay clients. Reb8FX shall not be indebted to any client or other party for any reason regardless of whether Reb8FX has received compensation based on actions or agreements executed by the client. Reb8FX reserves the right to change or discontinue any rebates offer at any time with or without notice. Churning is frowned upon by most brokers. If your trading is

identified as churning by the broker, our commissions may be voided by the broker, and this will also void any rebate you may expect to receive.

Fees incurred related to payments

Certain reasonable fees may be incurred by clients as a result of payments. Wire fees, PayPal, Neteller, Skrill, SticPay, China Union Pay, Crypto payment fees, and other similar costs and the labor associated with these services may be charged to the client's account and deducted from the payment amount.
